About the Conference

IRIS Scientific Group is thrilled to announce the 2nd Edition of the World Catalysis and Chemical Engineering Network Congress (WCCN 2027), scheduled for June 21-23, 2027, in Barcelona, Spain, presented in a Hybrid Format. This premier event will offer both in-person and virtual attendance options, making it accessible to a global audience, and aims to foster international collaboration within the catalysis and chemical engineering communities.

Themed “Advancing Catalysis: Integrating Knowledge and Innovation for Next-Generation Solutions,” the congress will showcase the most recent breakthroughs, cutting-edge research, and transformative developments in catalysis. The event promises to bring together leading experts from academia, industry, and research institutes to engage in discussions on the latest innovations and challenges facing the field today.

WCCN 2027 will be a pivotal platform for networking and knowledge exchange, providing attendees with unique opportunities to collaborate on solutions for the future. As the world continues to evolve through scientific convergence and technological advancements, this congress aims to be a key catalyst in shaping the future of catalysis and chemical engineering. We invite you to be part of this extraordinary gathering and contribute to advancing the science of tomorrow.

Don't miss the opportunity to connect with global experts, exchange ideas, and enhance your understanding of the latest trends. Together, let's chart the course for groundbreaking advancements that will revolutionize the future of catalysis.

We look forward to your participation and to shaping the future of this dynamic field together.

Scientific Sessions:

- Catalytic Materials & Mechanisms
- Catalysis for Chemical Synthesis
- Chemical Engineering
- Catalysis for Renewable Sources
- Catalysis and Zeolites
- Homogeneous & heterogeneous catalysis
- Enzymatic and Biocatalysis
- Biocatalysis and Enzyme Engineering
- Catalyst Deactivation, Regeneration, and Stability
- Green and Sustainable Catalysis
- Nanocatalysis and Nanostructured Materials
- Reaction Engineering and Kinetics
- Catalyst Design, Synthesis, and Characterization
- Electrocatalysis and Fuel Cell Technologies
- Computational Catalysis and Reaction Modeling
- Photocatalysis for Solar Energy and Environmental Applications
- Industrial Catalysis and Process Intensification
- Sustainable Energy and Environmental Catalysis
- Surface Chemistry: Colloid and Surface aspects
- Catalysis in Petrochemical and Refining Industries
- Electrochemical Engineering and Batteries

Why Attend WCCN 2027?

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest in Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!

15:30 - 18:00	Break Out Session II				

Target Audience

- University Professors and Lecturers
- Researchers
- Scientists
- Chemical Engineers
- Process Engineers
- R&D Managers
- Product Development Specialists
- Sustainability Officers
- Quality Assurance and Compliance Professionals
- Catalyst Manufacturers
- Chemical Production Companies
- Startups and Innovators
- Environmental Engineers
- Business Analysts
- Science Communicators and Journalists

7 Best Perks Offering @ WCCN 2027

- Broadcast your presentation Live over the web! Join us with your Colleagues
- Global Exposure to your Research
- Networking with Experts in the Field
- Best Poster Competition and Young Researcher Competition
- Opportunity to participate as a Student Delegates
- Publish your research in International Journal
- The Career Guidance Workshops to the Graduates, Doctorates and Post-Doctoral Fellows

Sponsorship

WCCN 2027 is dedicated to offer the most dynamic and inclusive conference featuring the latest innovation and advances in the field of Catalysis and Chemical Engineering.

Partnering with WCCN 2027 means more than making the right contacts; It means being connected to the right people with the right level of influence, and you are allied with a globally respected organizations and leaders in the Catalysis and Chemical Engineering.

Connect With Your Target Audience Top Reasons to Become a Sponsor/Exhibit at WCCN 2027

- Increase brand awareness by sponsoring attendee favourites and must-attend events.
- Show your brand's strength to your competition.
- Multiple opportunities for professional networking, concept selling and brand positioning
- Meet new contacts and strengthen key relationships
- Engage in networking opportunities with attendees and speakers
- Increase awareness of your organization among influential health care decision makers
- Meet clients and new prospects face to face
- Involvement in WCCN 2027 is all about building brand awareness

About Barcelona, Spain

Barcelona, Spain is one of Europe's most vibrant and captivating cities, celebrated for its rich history, world-renowned architecture, and dynamic Mediterranean lifestyle. As the capital of Catalonia, Barcelona seamlessly blends centuries-old heritage with modern innovation, making it a global center for culture, tourism, business, and scientific collaboration. The city is renowned for its iconic landmarks, including the breathtaking Sagrada Família, Park Güell, and the Gothic Quarter, all reflecting the artistic brilliance of Antoni Gaudí and the city's enduring architectural legacy. Barcelona's efficient public transportation, welcoming atmosphere, and commitment to sustainability further enhance its reputation as one of Europe's most desirable destinations.

Nestled along the Mediterranean coast, Barcelona offers a unique combination of historic charm and contemporary energy. Its picturesque beaches, lively promenades, and bustling neighborhoods such as Las Ramblas, El Born, and Gràcia provide visitors with unforgettable experiences. The city's diverse culinary scene ranges from traditional Catalan cuisine and vibrant tapas bars to Michelin-starred restaurants, reflecting its rich cultural heritage. Barcelona is also recognized for its thriving academic institutions, cutting-edge research centers, and international conference venues, making it an ideal destination for global scientific and professional gatherings. With its warm hospitality, artistic spirit, and exceptional quality of life, Barcelona continues to inspire visitors from around the world while serving as a welcoming hub for innovation, collaboration, and cultural exchange.

Registration Includes

For In-person Participants:

- Access (Entry) to all conference sessions, poster presentations
- Conference kit including name tag, program booklet and Abstract Book
- 2 Coffee breaks and Lunch for all the conference days
- Certificate accreditation from Organizing Committee

For Virtual Participants:

- Access to all Presentations
- E-Abstract Book and Program
- E-Certificate for Presentation and Participation

Note: Delegates are not allowed to present their papers in oral or poster sessions.
